NOTE FROM MRS. GURNEY:

Friends I need your help. My school and my family are doing a fundraiser for my hometown of Paradise. Over 9,700 families (Kurt and mine included) have lost their homes. They have only what they threw in their car as they escaped the flames. Donation centers have told me that they are only collecting NEW items at this point. You will find a list of some of the items they are in need of. We would like to bring some toys to help the kids celebrate Christmas but we also want to bring some supplies for when these families move into their temporary homes. They have nothing to start life in their temporary home. A lot of these families were renters and didn't have insurance. Please help however you can. If you have a business or know of one that would like to donate please let me know. All donations must be collected by Dec. 6th. Let's show the town of Paradise how much Utah cares about them. Thank you.
